Pressemitteilung / Press Release

ERSTER SCHLAGABTAUSCH IN OSCHERSLEBEN

[DE] Hochkarätiger Rennsport, herausragende Fahrer, sieben Veranstaltungen und Rennen, die ihre Fans begeistern – das ist die Internationale Deutsche Motorradmeisterschaft (IDM). Am kommenden Wochenende findet in der Motorsport Arena Oschersleben der Saisonauftakt der IDM statt.

Wenn die Motoren vom 9. bis 11. Mai 2025 in der Magdeburger Börde angehen, ist die Winterpause endgültig vorbei. Ab jetzt geht es wieder im Wettkampf zur Sache und es wird sich zeigen, wie effektiv die Testfahrten der Teams und Fahrer in den letzten Monaten waren. Zudem hat das Transferkarussell für völlig neue Konstellationen gesorgt.

In der IDM Superbike, der Königsklasse in Deutschlands höchster Rennsportserie, gab es reichlich Bewegung. Meister Ilya Mikhalkhik sucht nach vier Titeln eine neue Herausforderung in England. Dafür haben der Argentinier Leandro Mercado und der Este Hannes Soomer beim offiziellen BMW-Werksteam angedockt, das in den letzten acht Jahren sechs Titel geholt hat. Honda ist wiederum gierig nach der Wiederholung des Triumphs aus der vorletzten Saison. Hier war der Deutsche Florian Alt wie Phönix aus der Asche gestiegen und hatte die japanische Marke nach einer 13-jährigen Durststrecke zum Erfolg geführt. Kawasaki konnte den Österreicher Philipp Steinmayr zum Comeback bewegen. Ducati schiebt die Panigale V4R mit dem italienischen Meister aus 2023 Lorenzo Zanetti und dem aus dem Grand Prix Zirkus kommenden Bayern Lukas Tulovic an den Start. Als Spitzenfahrer werden auch die beiden BMW-Kollegen Toni Finsterbusch und Jan-Ole Jähnig gehandelt. Last but not least hat sich auch Yamaha Deutschland kurz vor Saisonstart noch mit einem neuen Team verbündet und den Südafrikaner Sheridan Morais als heißes Eisen im Feuer. Dazu kommen einige talentierte Nachwuchsfahrer, die für Überraschungen sorgen wollen.

Nicht weniger spektakulär, wenn auch mit etwas weniger Leistung, geht es in der IDM Supersport zu. In der mittleren Hubraumklasse mit mindestens 135 PS am Hinterrad weiß Meister Andreas Kofler jetzt schon, dass mehr Fahrer als zuvor nur darauf warten, ihn dieses Jahr zu besiegen. „Melvin van der Voort auf jeden Fall, dazu Luca de Vleeschauwer, Dirk Geiger, Lennox Lehmann, Marcel Brenner und auch Marvin Siebdrath. Der beim Testen auf sich aufmerksam gemacht hat. Ich denke, dass alle, die im letzten Jahr schon in der IDM Supersport gefahren sind, im Winter eine Schippe draufgelegt haben. Mit der jetzigen Besetzung stehen wir vor dem stärksten Supersport-Feld seit langem.“

THE FIRST BATTLE STARTS IN OSCHERSLEBEN

[EN] Top-class racing, outstanding riders, seven events and races that thrill their fans - that's the International German Motorcycle Championship (IDM). The IDM season opener will take place at the Motorsport Arena Oschersleben next weekend.

When the engines start up in the Magdeburger Börde from 9 to 11 May 2025, the winter break will finally be over. From now on, it's back to the competition and we will see how effective the teams' and riders' test rides have been in recent months. In addition, the transfer merry-go-round has resulted in completely new constellations.

There has been plenty of movement in the IDM Superbike, the premier class in Germany's top racing series. After four titles, champion Ilya Mikhalkhik is looking for a new challenge in England. Instead, Argentinian Leandro Mercado and Estonian Hannes Soomer have joined the official BMW works team, which has won six titles in the last eight years. Honda is again eager to repeat its triumph from the season before last. The German Florian Alt rose like a phoenix from the ashes and led the Japanese brand to success after a 13-year dry spell. Kawasaki was able to persuade Austrian Philipp Steinmayr to make a comeback. Ducati will field the Panigale V4R with the Italian champion from 2023 Lorenzo Zanetti and Lukas Tulovic from Bavaria, who comes from the Grand Prix circuit. The two BMW colleagues Toni Finsterbusch and Jan-Ole Jähnig are also rumoured to be top riders. Last but not least, Yamaha Germany has also allied itself with a new team shortly before the start of the season and signed South African rider Sheridan Morais. In addition, there are a number of talented young riders who want to cause surprises.

The IDM Supersport is no less spectacular, albeit with slightly less power. In the medium displacement class with at least 135 hp at the rear wheel, champion Andreas Kofler already knows that more riders than ever are just waiting to beat him this year. „I think that everyone who rode in the IDM Supersport last year is even better this season. With the current line-up, we are facing the strongest Supersport field in a long time.“

IDM SPORTBIKE: VORREITER + TUMMELPLATZ DER ZUKUNFT

[DE] Am 9. Mai steht in der MotorsportArena Oschersleben der Saisonstart für die neue Sportbike-Klasse in der Internationalen Deutschen Motorradmeisterschaft (IDM) auf dem Kalender. Das Premierenjahr ist speziell und das Beste daran ist: Noch nie konnten sich die jungen Wilden besser auf den nächsten Karrieresprung vorbereiten. Von der FIM ist das Format nämlich erst für 2026 im Rahmen der World Superbike-Events geplant. In der IDM geht es schon 2025 los und macht die Klasse allein schon deshalb über die Landesgrenzen hinaus hochinteressant. Den Vorsprung kann keiner nehmen.

Die neue Sportbike-Klasse löst dabei die bisherige Nachwuchsklasse Supersport 300 ab. Die Begeisterung für die kleine Kategorie hielt sich zuletzt von Fahrern, Teams und auch von den Herstellern in Grenzen. Gerade für die Marken besitzen die stärkeren Modelle auf dem Markt eine deutlich höhere Relevanz. Dazu kommt, dass der Pool potenziell einzusetzender Motorräder mit der Yamaha YZF-R7, Kawasaki Ninja 650, Triumph Daytona 660 und Aprilia RS660 weitaus größer ist. Über Einheitselektronik werden die unterschiedlichen Motorenkonzepte auf ein Leistungsniveau von circa 95 PS angeglichen. Der Einstieg in die Klasse ist ab 15 Jahren möglich.

IDM SPORTBIKE: THE NEW SPORTBIKE CLASS STARTS NOW

[EN] The new sportbike class will make its debut in the International German Motorcycle Championship (IDM) in 2025 – one year before becoming officially part of the World Superbike Championship (WorldSBK). This gives young talents from the age of 15 in Central Europe a unique opportunity to prepare for the next step in their careers early and gain a crucial competitive advantage for their entry into the world championship.

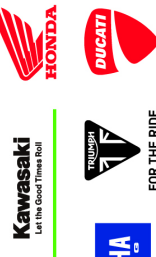

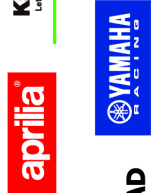

A wide selection of competitive bikes will be available, including the Aprilia RS660, Kawasaki Ninja 650, Triumph Daytona 660, and Yamaha YZF-R7. Thanks to standardized electronics, the performance of the various motorcycles will be adjusted to around 95 hp. All details can be found in the Technical & Sporting Regulations 2025.

NORTHERN TALENT CUP

The Northern Talent Cup enters its fifth season in 2024. A one-make series of teams and riders, the NTC uses the incredibly successful European Talent Cup as a blueprint. Riders aged between 14 and 17 compete across central and northern Europe, alongside the FIM MotoGP™ World Championship, the MOTUL FIM Superbike World Championship and IDM.

Each NTC round comprises two races, with the points system mirroring that of MotoGP™, and, from 2024, riders will compete on the Honda NSF250R. Also new in 2024, Pirelli become the official tyre supplier for the Cup.

As part of the Road to MotoGP™, there is a place in the Red Bull MotoGP Rookies Cup the following season up for grabs for the NTC rider(s) Dorna deems to have shown the most impressive progress and/or potential, and at least two NTC alumni take part in the Rookies Cup selection event on the Road to MotoGP™.

A number of riders have already moved up from the NTC to the Red Bull MotoGP Rookies Cup, like 2022 runner up Kevin Farkas. For 2024, NTC champion Rocca Caspar Sessler will compete as Dorna’s selected rider.

THE SERIES

For more than two decades, Dorna Sports has invested in opening the doors to motorcycle racing, creating the Road to MotoGP™. Comprising initiatives all over the world providing millions of young riders the opportunity to excel, the Road to MotoGP™ is unrivalled in motorsport – opening doors, increasing access and racing towards global equality.

The Northern Talent Cup is intended to give riders from northern and central European countries a new path on the Road to MotoGP™, designed as the perfect stepping stone into the FIM JuniorGP™ World Championship and/or Red Bull MotoGP Rookies Cup. The NTC is designed to create close competition in a cost-effective manner, including the calendar. Riders of all nationalities can apply, but the Cup is aimed at riders from northern and central Europe.

The NTC is run by Dorna Sports, the organiser of the MotoGP™ World Championship, the FIM JuniorGP™ World Championship, the MOTUL FIM Superbike World Championship, the FIM Enel MotoE™ World Championship and the Idemitsu Asia Talent Cup, as well as co-organiser of the R&G British Talent Cup and Red Bull MotoGP Rookies Cup.

ADAC

[DE] Der in 2024 Jahr erfolgreich gestartete KTM Junior Cup powered by ADAC wird in der kommen- den Saison als ADAC Junior Cup fortgeführt.

Die Nachwuchsserie, die als Bindeglied zwischen dem ADAC Mini und Pocket Bike Cup, den FIM Mini GP-Serien und dem Northern Talent Cup im Road to MotoGP Programm von MotoGP-Vermarkter Dor- na Sports fungiert, geht in diesem Jahr erneut bei fünf Veranstaltungen der Internationale Deutsche Motorradmeisterschaft (IDM) im In- und Ausland an den Start und ermöglicht Nachwuchstalenten zwischen 14 und 21 Jahren den Sprung in den internationalen Motorradsport.

Alle Teilnehmer/innen gehen mit identischen Bikes – der KTM RC4 R mit 250 ccm Viertakt-Motoren – an den Start. Bei der Ausrichtung der Serie kooperiert der ADAC unverändert mit BG Sportpromotion.

Paddock plan

As of: 30.04.2025

Sperrzonen

An der Strecke ist der Aufenthalt ausschließlich hinter Leitplanken, Reifenstapeln und Sicherheitszäunen erlaubt! Das Befahren der Rettungswege mit Privat-PKW's ist ausdrücklich untersagt! Das Befahren des Geländes mit Rollern ist nur mit einer im Vorfeld einzuholenden Sondergenehmigung gestattet.

Forbidden Areas

It is only allowed to stay behind the barriers, tyre barriers and safety fences! Using the service roads with private cars is strictly forbidden! Using scooters on the area is only allowed with a special permission, which needs to be requested in the run-up to the event.
